1. Place items on hold.

2. Wait for your hold notification or check your account to see if your holds are ready. Then call or [fill out this form](#) to schedule your pickup appointment.

You will receive email or phone notification when your hold(s) is available for pickup. To schedule an appointment, call the library at 508-278-8624 x100 or [fill out this form](#) to schedule your pickup appointment. You will be asked for your library card number, the make/color of your vehicle or form of transportation, and to choose an available appointment time.

3. Pick up your items!

Once parked in the library lot, call the library at 508-278-8624 x104 to let us know you have arrived, and please open your trunk, if possible. A librarian will bring your checked-out items to your vehicle.
