

Uxbridge Free Public Library
Library Delays & Closings

In the event of a weather emergency or other unforeseen circumstances, such as a prolonged power failure or boiler failure, it may be necessary to close the Library for the safety of patrons and staff. If such an event occurs, the Library Director or the senior staff person on duty, in consultation with the Chairman of the Library Board of Trustees or designee, will make the decision. A message will be placed on the website, social media and phone system (if possible) as soon as this determination is made.

All items due on the day of an unexpected closing will be backdated to avoid any overdue fines. As public safety is our concern, patrons may call the library to extend items without penalty in cases of inclement weather.
