Level Up at Your Library this summer! This year's theme is focused on games and puzzles and celebrates leveling up in reading, imagination, and fun. Whether you're conquering quests in fiction or unlocking new knowledge in nonfiction, the library is your launchpad. Log your reading for a chance to win exciting weekly prizes! Read 900 minutes (15 hours) between June 26 and August 14 to be entered into the Grand Prize Drawing.

There are two ways to log minutes:

ONLINE: Visit uxbridgelibrary.beanstack.org or download the Beanstack app to register with Beanstack to log your minutes. You can sign up your entire family and view progress with one username.

ON PAPER: Use this log to track your titles and minutes every time you read. If you need more space, request another log or track on an additional sheet of paper. Bring your log to the library to update your progress.

For adults and teens, every 60 minutes you log will increase your chances of winning one of our weekly prizes. Log your minutes by midnight each Friday morning to count for that week's drawing.

For children, earn tickets for our weekly drawings by visiting the library, attending library programs, or checking out books.
